New Canton, Illinois is where Jaclyn did a room makeover for The Oprah Show and where this sofa made a smashing debut.

"It was an exciting decorating challenge in a place I've never been. In honor of that experience, I have given the New Canton unexpected twists: lots of pleats, a skirt that starts higher, cushions that curve around arms. It reminds me that it's fun to try something new."

Jaclyn's Recommendations

To complete the Jaclyn Smith look, Jaclyn recommends adding fringe or bullion to pillows as a complimentary upgrade which includes contrast welts as well as contrast bias welts.

All frames come standard with the soft seat cushion. Jaclyn suggests upgrading to the ultimate luxury, the plush down blend cushion, complete with down/feather blend throw pillows.
